

Central Mass Lyme Conference

The Central Mass Lyme Foundation will host its 3rd Lyme disease Conference. This event will explore the complexities of Lyme and other tick-borne diseases and include presentations by ILADs-trained physicians regarding treatment, research and testing.

"The CMLF is one of the strongest and best organized state Lyme awareness groups I know of. They reach way beyond the MA borders and show solid leadership and a clear vision with the most confusing collections of diseases known today."
2016 Conference Attendee

Saturday, September 23, 2017
